Long Haul Truck Driver

2021 –

Present

Sunbury, Saint John, NB

As a Truck Driver at Sunbury, I organized deliveries across the Atlantic Provinces, highlighting my planning and teamwork skills. I made sure cargo was delivered safely, proving my attention to detail. I also looked after truck maintenance, showing my problem-solving abilities. Additionally, I used digital tools to accurately track deliveries and keep records.

Key Accomplishments:

- Implemented tools to enhance route planning.
- Maintained accurate and updated delivery records.
- Trained and mentored a new driver, ensuring a smooth onboarding process.

Long Haul Truck Driver

2020 – 2021

MM-Group, Mozhaysk, Russia

At MM Group, I drove long-haul routes across Russia, ensuring timely deliveries and maintaining the condition of the cargo. My commitment to detailed trip logging showcased my responsibility and attention to any arising challenges.

Key Accomplishments:

- Successfully maintained a punctual delivery record, showcasing dependability.
- Consistently kept detailed trip logs, ensuring clear documentation of all routes and potential issues.

Long Haul Truck Driver

2019 – 2020

ZLK-Trans, Mozhaysk, Russia

At ZLK-Trans, I drove long haul trucks to transport various materials across Russia. My duties encompassed route planning for safe deliveries, vehicle inspections for optimal conditions, and meticulous record-keeping of all associated paperwork.

Key Accomplishments:

- Developed a systematic vehicle inspection routine, enhancing preventive maintenance and minimizing breakdowns.
- Maintained a safety record, ensuring the well-being of transported goods.

Self-Employed

2017 – 2019

Upwork, Google Ads, Mozhaysk, Russia

As an independent contractor on Upwork, I excelled in designing and enhancing Google Ads campaigns. My efforts were centered around comprehensive keyword research and creating compelling digital content in alignment with client requirements, which subsequently boosted website engagement and improved the overall impact of campaigns.

Key Accomplishments:

- Successfully drove website traffic by crafting targeted digital content based on customer needs.
- Demonstrated proficiency in keyword research, identifying both primary and related terms for campaign enhancement.
- Regularly monitored and adjusted campaigns, ensuring they consistently met or exceeded performance expectations.
